E. Mr. Hochberg noted that a draft of the minutes of the Corporation's meeting of February 12, 2013, had been distributed to the Board. Mr. Hochberg noted that the minutes included a resolution which embodies a motion passed dealing with increasing the limit on the banking resolution requiring two signatures. Ms. Lamboley made a motion to approve the minutes, and it was seconded by Mr. Contreras. The Motion passed unanimously, and the minutes of the meeting of February 12, 2013, were adopted.

F. Mr. Hochberg asked if any members of the public wished to address the Board. There was no response from the persons present.

Ms. Lamboley made a motion that the chair be authorized to contract on behalf of the HFSLGC with the Bromwich Group to review areas of the HPD forensic division which will come under the jurisdiction of the LGC (which does not include the property room, which remains the responsibility of HPD), to evaluate implementation of recommendations included in the Summary of Recommendations of the Independent Investigator for the HPD Crime Lab and Property Room, dated August 8, 2007, and related documents, for the purpose of validating the completion of implementation of the recommendations (or implementation of
alternative solutions) and providing information to the LGC board on any recommendations not yet fully addressed. The cost of the contract shall be based on actual billings for time and expenses and capped at $150,000 including all costs billed to the LGC, of which the LGC shall be obligated to no more than $75,000. The chair shall further be authorized to contract, on behalf of the HFSLGC, with the Laura and John Arnold Foundation to receive a grant of $75,000 to be used for partial payment of the above contract. The board authorizes an increase of $150,000 in the fiscal 2013 budget for the “consultants” line item, with a reduction of $75,000 from the item originally allocated to executive salaries and benefits ($280,000), plus the full amount of the grant.
