This First Interlocal Agreement ("this Agreement") by and between the CITY OF HOUSTON, a Texas home rule municipality (the "City"), and HOUSTON FORENSIC SCIENCE LGC, INC., a Texas local government corporation ("HFSLGC" or the "Corporation") is effective on the "Countersignature Date" as defined below. The City and the Corporation constitute the "Parties" to this Agreement.

WITNESSETH:

WHEREAS, the accurate analysis of forensic evidence is widely recognized as essential to the just and efficient enforcement of criminal laws; and

WHEREAS, for many years the City has relied on the Houston Police Department ("HPD") for the collection and analysis of forensic evidence, services HPD has provided through the Crime Lab Division (the "HPD Crime Lab") and the Identification Division of HPD's Forensic Services Command; and

WHEREAS, in 2002 the City learned of serious, systemic managerial and operational failures in the HPD Crime Lab, which failures were detailed in the "Final Report of the Independent Investigator for the Houston Police Department Crime Laboratory and Property Room" (the "Bromwich Report") prepared in 2007 by Michael R. Bromwich and his investigative team; and

WHEREAS, at the City's insistence, but also with the City's full support, HPD has engaged in extraordinary efforts to correct the managerial and operational failures described in the Bromwich Report; and

WHEREAS, the City Council of the City acknowledges that significant across-the-board operational improvements have enabled the HPD Crime Lab to be accredited under the "Legacy" program of the American Society of Crime Laboratory Directors / Laboratory Accreditation Board ("ASCLD/LAB") and that the Lab expects to be accredited under ASCLD/LAB's "International" program or a similarly rigorous program by mid-2015; and

WHEREAS, the City Council has concluded that a just and efficient criminal justice system requires forensic services characterized by objective, scientifically rigorous standards and operational excellence, with management independent from actual or perceived influence of law enforcement, prosecutors, elected officials, and special interest groups, a goal consistent with Strengthening Forensic Science in the United States Board of Directors' Action Plan for the Future of Forensic Science in the United States of America.
States: A Path Forward, the landmark 2009 study by the National Academy of Sciences (the "National Academy"); and

WHEREAS, Subchapter D, Chapter 431, Texas Transportation Code, authorizes the creation of local government corporations to aid and act on behalf of local governments; and

WHEREAS, on June 6, 2012, the City Council passed Resolution No. 2012-17, which memorialized the City Council's finding that the City's creation of a local government corporation to operate an independent forensic science center to provide the City with accurate and timely analysis of forensic evidence and related services would accomplish an important governmental purpose, namely, to enhance the welfare and safety of the public; and

WHEREAS, Resolution No. 2012-17 both authorized the City's creation of the Corporation to operate the said independent center and approved the form of the Corporation's Certificate of Formation (the "Certificate of Formation"); and

WHEREAS, as prescribed by the Certificate of Formation, the affairs of the Corporation are managed by a Board of Directors appointed by the Mayor of the City (the "Mayor") and confirmed by the City Council; and

WHEREAS, also as prescribed by the Certificate of Formation, the Board of Directors "[i]n the aggregate [are] qualified to govern a forensic science center and to provide guidance regarding forensic science issues from the perspectives of science, law enforcement, public policy, business, persons accused of crimes, and the general public;" and

WHEREAS, the City does not employ, compensate, or direct the activities of any voting Director of the Corporation; and

WHEREAS, the City Council has found that the Corporation's mode of governance provides independence from actual or perceived influence by law enforcement, prosecutors, elected officials, and special interest groups and therefore is consistent with the conclusions of the National Academy acknowledged above; and

WHEREAS, Section 791.003(4)(B), Texas Government Code, provides that a "local government corporation created under Subchapter D, Chapter 431, Transportation Code," such as the Corporation, is a "local government" for the purposes of the Interlocal Cooperation Act, which Act has been codified as Chapter 791, Texas
WHEREAS, Section 791.011(a), Texas Government Code, provides that "[a] local government may contract or agree with another local government ... to perform governmental functions and services" in accordance with the Interlocal Cooperation Act; and

WHEREAS, Article IV(A)(1) of the Certificate of Formation authorizes the Corporation "[t]o contract with persons and with governmental, for-profit, and non-profit entities for the procurement of facilities, equipment, and services; the hiring of personnel; and the operation of the [forensic science] [c]enter;" and

WHEREAS, in light of the findings and circumstances described above, the City desires to transfer to the Corporation, and the Corporation agrees to accept, control of and responsibility for the "Forensic Operations" as defined herein, to the degree and according to the terms stated in this Agreement; and

WHEREAS, the City Council acknowledges that all or substantially all of the City employees assigned to the operations subject to this Agreement desire to remain employees of the City and to continue to receive benefits and rights provided by the City to its employees; and

WHEREAS, both the City Council and the Corporation desire to effect the transfer of control and responsibility as described herein;

NOW, THEREFORE, in consideration of the premises and the mutual covenants, conditions, and promises hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the Parties hereby covenant and agree as follows:

The Parties agree to enter into a written lease (the "Written Lease") not later than the Completion Date, by which document the Corporation will lease the Leasehold from the City for a three-year term beginning no later than the Completion Date. All remaining terms of the Written Lease shall be commercially reasonable in light of the circumstances as a whole. The two brokers shall name a third similarly experienced and knowledgeable broker. The three brokers shall agree upon the remaining terms of the Written Lease, which terms shall be accepted by the Parties, subject only to any limitations on the City's authority imposed by the City's Charter or by state or federal law. Upon the expiration or termination of this Agreement, the City (a) shall accept the responsibility, control, and interests tendered by the Corporation pursuant to Section 4.02 of this Agreement and (b) shall assume, perform, or otherwise satisfy in the ordinary course of business all then-pending obligations of the Corporation. The obligations imposed by this Section 4.03 shall survive the expiration or termination of this Agreement until the said obligations are fully discharged.

ARTICLE 5. REPRESENTATIONS AND WARRANTIES.

Section 5.01. Accuracy of Exhibits. The City warrants the accuracy of all Exhibits to this Agreement.
Section 5.02. City's Ownership of Resources; Permission to Transfer. The City represents and warrants that as of 5:00 p.m. on the Mayor's Signature Date the City owns or otherwise has lawful possession or control of the Resources; that no person or entity other than the City has a property interest in the Resources unless the interest is described in reasonable detail in a notice delivered to the Corporation's Executive Director at least thirty days before the Mayor's Signature Date.

Section 5.03. No Transfer of Resources to Third Parties. The City represents and warrants that from 5:00 p.m. on the Mayor's Signature Date until 12:01 a.m. on the Completion Date, the City shall not transfer any interest in the Resources to a third party except as authorized in writing by the Executive Director, which authorization shall not be given unless the Executive Director reasonably concludes the transfer is essential to avoid a serious disruption of the Forensic Operations.

Section 5.04. No Default. The City and the Corporation represent and warrant to each other that their respective performances of this Agreement will not result in the violation of any law or in a default of any contract, grant, bequest, or agreement.

Section 5.05. Certain Negotiations Between City and Majority Bargaining Agent(s). The City represents and warrants that it will provide the Corporation (a) with reasonable advance notice of any negotiations between the City and the Houston Police Officers' Union ("HPOU"), the Houston Organization of Public Employees ("HOPE"), or, as may be applicable, any future "Majority Bargaining Agent" if such negotiations are reasonably likely to result in one or more changes materially affecting the Forensic Operations and (b) with a reasonable opportunity to review and comment upon any such changes before the City enters into a binding agreement with HPOU, HOPE, or a future Majority Bargaining Agent.

Section 5.06. No Amendment of Certificate of Formation or of Bylaws. The Corporation represents and warrants that no amendment of the Corporation's Certificate of Formation or Bylaws will be effective without the City's consent, as evidenced by a resolution approved by a majority vote of the City Council.

Section 5.07. Sufficient Funds for Remainder of Fiscal Year. The City represents and warrants to the Corporation that the funds to be transferred by the City to the Corporation pursuant to Section 11.03 of this Agreement will be sufficient to maintain, at a minimum, the ordinary course of business of the Forensic Operations and the Corporation for the remainder of the City's Fiscal Year ending June 30, 2014. For the purposes of this Section 5.07, the ordinary course of the Corporation's business
includes, but is not limited to, payment of the Civilian Cash Compensation, the Civilian Benefit Expense, the Classified Cash Compensation, and the Classified Benefit Expense for each of the persons and positions listed on Exhibits "A" and "B" of this Agreement.

Section 5.08. Binding Obligation. Each Party represents and warrants to the other Party that its execution and delivery of this Agreement has been duly authorized by all proper actions and proceedings, including approval of this Agreement and all Exhibits hereto by the City Council and by the Corporation's Board of Directors, and that this Agreement constitutes a legal, valid, and binding obligation of such Party.

ARTICLE 6. SERVICES PROVIDED BY CIVILIANS.

Section 6.01. Management of Civilians. At 12:01 a.m. on the Management Date, the Corporation shall assume responsibility for and control of the Civilians, at which time the Civilians shall provide services to the Corporation, reporting to the Executive Director as if the Executive Director were the Chief of Police. Notwithstanding the preceding sentence, the Parties acknowledge that each Civilian will remain an employee of the City until such employment is terminated by the Civilian or by the City. The City acknowledges (a) that, for as long as a Civilian remains in the City's employ, the City will continue to provide the Civilian with the compensation, benefits, and rights provided by the City in the ordinary course of the City's business and (b) that the obligation to provide the said compensation, benefits, and rights is the City's obligation, not the Corporation's. For the purposes of this Agreement, "benefits" specifically includes, but is not limited to, transportation-related benefits such as parking, shuttle services, and bus passes, and "rights" specifically includes, but is not limited to, the City's civil service rules and procedures.

Section 6.02. Modification of City Job Classifications or Compensation. The Executive Director may assign to any Civilian a job description or a job title different from the job description or job title in effect for that Civilian prior to the Management Date. Any such assignment shall have no impact on the Civilian's job classification or compensation, which the Civilian will continue to receive as an employee of the City. Notwithstanding the immediately preceding sentence, the Executive Director may ask the City to modify the job classification or compensation of any Civilian. All such requests shall be submitted in writing to the City's HR Director, who shall honor the request as described in this Section 6.02, provided that honoring the request will not violate applicable law or any written policy of the City in effect at least ninety days prior to the date of the Executive Director's request. The City's HR Director shall respond in writing within thirty days after receipt of the request; the response may (a) state that the request is granted and, if so, the effective date of the modification; (b) state
that the request is denied, provided that the response identifies the law or policy that would be violated if the request had been granted; (c) request additional information regarding the request; or (d) propose an alternative to granting the request. Any further communications between the Executive Director and the City's HR Director pursuant to this Section 6.02 shall be made as promptly as possible under the circumstances.

Section 6.03. Return of Responsibility and Control. In a manner not inconsistent with the progressive discipline system required by Section 3.07 of this Agreement, the Corporation may discontinue its responsibility for and control of any Civilian at any time by delivering a written notice (the "Notice of Return") to the Civilian and delivering a copy of the Notice of Return to the City's HR Director. Upon receipt of the Notice of Return, the Civilian shall discontinue providing services to the Corporation and, in the absence of written permission from the Executive Director, shall not have access to the Leasethold or to any other premises under the exclusive control of the Corporation. The Notice of Return shall state with specificity the reason(s) for the Corporation's action and identify any policy or procedure of the Corporation violated by the Civilian. The reason(s) for the Corporation's action must relate directly to a legitimate objective of the Corporation, may not violate applicable law, and may not be for the purpose, in whole or in part, of replacing a Civilian with a New Hire. The City shall accept responsibility for and control of the Civilian upon the City's HR Director's receipt of a copy of the Notice of Return. Not later than 30 days after delivering the Notice of Return, the Parties and the Civilian may agree in writing that responsibility for and control of the Civilian shall revert to the Corporation on a date certain, on which date the status of the Civilian with regard to the Corporation shall be as if the Corporation had never delivered the said Notice of Return.

Section 6.04. Vacant Civilian Positions. If a Civilian (a) voluntarily vacates his position or (b) is removed from his position on a for-cause basis, the Executive Director may abolish the position or fill the position with another Civilian, a New Hire, or a Classified (the last only if and as permitted by the 2011 Meet & Confer Agreement).

Section 6.05. End of Corporation's Management of Civilian; Effect. With regard to any individual Civilian, in the event of (a) the termination of the Civilian's employment with the City (whether voluntarily or otherwise) or (b) the Corporation's sending a Notice of Return to the Civilian as contemplated by Section 6.03 of this Agreement, the Corporation's obligation to reimburse the City for Civilian Cash Compensation and Civilian Benefit Expenses ends automatically.

ARTICLE 7. SERVICES PROVIDED BY CLASSIFIEDS.
Section 7.01. Management of Classifieds. At 12:01 a.m. on the Management Date, the Corporation shall assume supervision and management responsibility for Classifieds as set out in Article 23 of the 2011 Meet & Confer, at which time each Classified shall be managed by the Executive Director, provided that the substance of the Houston Police Department's General Orders, the civil service rules of the Texas Local Government Code, and the City's civil service rules and procedures shall continue to apply to each Classified. Specifically, the Executive Director's supervision and management responsibility shall be limited to administrative responsibilities and any issue involving how forensic responsibilities are to be performed and who will perform them. In all other management and supervision matters, the Chief of Police will exercise ultimate authority over any Classified in any matter, including but not limited to, those powers, duties, and rights established by statute, the City Charter, City Ordinances, the 2011 Meet & Confer Agreement, or applicable law.

Section 7.02. Classifications and Compensation. To the extent not prohibited by the 2011 Meet & Confer Agreement or by statute, the Executive Director may assign to any Classified a job description or a job title different from the job description or job title in effect for that Classified prior to the Management Date. Any such assignment shall have no impact on the Classified's job classification or compensation, which shall continue to be governed by the 2011 Meet & Confer Agreement, the Texas Local Government Code, City Ordinances, and other applicable law.

Section 7.03. Classified's Position with Corporation. Pursuant to the 2011 Meet & Confer Agreement, any Classified may remain in his position with the Corporation until such time as the Classified (a) retires from or otherwise voluntarily vacates the position or (b) is removed from the position on a for-cause basis in the manner provided by the 2011 Meet & Confer Agreement and applicable law. In either event, the Executive Director may abolish the position or fill the position with another Classified (provided that filling the position with another Classified is not inconsistent with the 2011 Meet & Confer), with a Civilian, or with a New Hire.

Section 7.04. Request to Transfer Classified. Notwithstanding anything to the contrary in this Article 7, for a reason rationally related to a legitimate objective of the Corporation, the Executive Director may request that the Chief of Police transfer a Classified out of the Forensic Operations. The Corporation acknowledges that the Chief of Police will not be obligated to grant the Executive Director's request.

Section 7.05. End of Corporation's Management of Classified; Effect. In the event the Corporation's supervision and management of any individual Classified is discontinued as a result of (a) the Classified's death or his retirement or resignation...
from his employment with the City or (b) any action by the City (whether or not resulting from a request made pursuant to Section 7.04 of this Agreement), the Corporation's obligation to reimburse the City for the Classified's Cash Compensation and Benefit Expenses ends automatically.

ARTICLE 8. REIMBURSEMENT OF CERTAIN PERSONNEL EXPENSES

Not later than the last business day of each month, the City shall submit to the Corporation an invoice for all Civilian Cash Compensation, Civilian Benefit Expenses, Classified Cash Compensation, and Classified Benefit Expenses actually paid by the City during the previous month. (Example: By the last business day of September, the City shall submit one or more invoices for all such payments made by the City during August.) Each invoice shall provide detail sufficient for the Corporation to determine the exact amounts and purposes of the funds paid by the City to or on behalf of the Civilians and the Classifieds (each of whom shall be identified specifically) during the period covered by the invoice. Notwithstanding the first sentence of this Article 8, the City shall submit the first such invoice not later than the last business day of the second full month following the Management Date, and the first such invoice shall include funds paid by the City from the Management Date through the first full month following the Management Date. Except for invoices the Corporation believes in good faith to be in error, the Corporation shall pay each invoice submitted by the City pursuant to this Article 8 within sixty days of the Corporation's receipt of the invoice.

ARTICLE 9. NEW HIRES.

Section 9.01. Authority for New Hires. The Corporation shall have sole authority (a) to employ directly, and to terminate the employment of, such personnel as are necessary to accomplish the purposes stated in the Corporation's Certificate of Formation and (b) to determine job classifications, job duties, compensation, benefits, policies, and practices pertinent to the New Hires.

Section 9.02. Former City Employees as New Hires. The Corporation may employ a former employee of the City. Before doing so, however, the Corporation shall disclaim to the said person in writing any duty by the Corporation to provide legal, financial, or other assistance related to benefits (specifically including retirement benefits) to which the person may be entitled, or may claim to be entitled, as a result of his past employment by the City.

ARTICLE 10. ADDITIONAL COVENANTS.

Section 10.01. Corporation's Compliance with Applicable Laws. The
Corporation will comply with all applicable laws; procure all required government and regulatory approvals; pay all fees, taxes, and other expenses; and give all notices necessary or prudent for the lawful and proper execution of its activities.

Section 10.02. Corporation's Commitment to Disadvantaged Business Policies. On November 8, 2013, the Corporation's Board of Directors unanimously approved Resolution No. 2013-004, which Resolution is incorporated into this Agreement as if set out fully herein. By Resolution No. 2013-004, the Corporation adopted by reference the "minority/women disadvantaged business enterprise policies" stated in Article V ("Minority, Women and Small Business Enterprises") and in Article VI ("Persons with Disabilities Business Enterprises") of Chapter 15 of the City's Code of Ordinances (collectively, the "Disadvantaged Business Policies"). The Corporation will continue to comply with Resolution No. 2013-004 and will neither rescind nor modify the said Resolution absent a variance approved in writing by the Director of the City's Office of Business Opportunity.

Section 10.03. City's Commitment to Provide Assistance. The City agrees to provide, through the City's Office of Business Opportunity, timely advice and recommendations to the Corporation regarding the proper application of the Disadvantaged Business Policies, at no cost to the Corporation.

ARTICLE 11. FINANCIAL SUPPORT OF THE CORPORATION.

Section 11.01. Previous Funding of the Corporation. The Parties acknowledge that on October 17, 2012, the City Council passed and approved Ordinance No. 2012-912 authorizing Memorandum of Understanding No. 1 between the City and the Corporation, pursuant to which the City disbursed to the Corporation the sum of $500,000.00 on October 30, 2012. The Parties further acknowledge that on December 11, 2013, the City Council passed and approved Ordinance No. 2013-160 authorizing Memorandum of Understanding No. 2 between the City and the Corporation ("MOU No. 2"), pursuant to which the City disbursed to the Corporation the sum of $1,567,110.00 on December 30, 2013.

Section 11.02. Current Funding of the Forensic Operations. On June 19, 2013, the City Council passed and approved Ordinance No. 2013-617, which Ordinance adopted the final budget of the expenditures of the City's General, Enterprise and Special Revenue Funds for the Fiscal Year beginning July 1, 2013, and ending June 30, 2014 (the "FY14 City Budget", a copy of which document is available for review at http://www.houstontx.gov/budget/14budadopt/index.html). The FY14 City Budget is incorporated into this Agreement as if set out fully herein. Page VII-4 of the FY14
City Budget authorizes (at Line 532040) the transfer of $22,944,904.00 (the "FY14 Forensic Funds") from the City to the Corporation; authorization for the transfer is further acknowledged on Page VII-2. Notwithstanding the said authorization in the FY14 City Budget, the Parties agreed, and continue to agree, that, other than the funds disbursed to the Corporation pursuant to MOU No. 2 (as described in Section 11.01 of this Agreement), no portion of the FY14 Forensic Funds would be transferred to the Corporation until the Management Date, as defined by this Agreement. The Parties further acknowledge that, from July 1, 2013, until the Management Date, the City has paid or will have paid various expenses of the Forensic Operations from the FY14 Forensic Funds, with all such payments having been approved, or the Parties in good faith expect will be approved, by both HPD and the Executive Director.

Section 11.03. Transfer of Funds to the Corporation. On the Management Date, the City will transfer to the Corporation all unspent FY14 Forensic Funds. Notwithstanding the preceding sentence, the Parties may agree to adjust the amount of funds transferred to account for any variance between the forensic activities contemplated by the FY14 City Budget and the Forensic Operations to be managed by the Corporation as a result of this Agreement. By way of example only, the FY14 City Budget may have assumed the Corporation will provide polygraph services, when in fact the Corporation will not provide such services. Any adjustment in the amount of funds transferred to the Corporation pursuant to this Section 11.03 shall be on commercially reasonable terms.

Section 11.04. Future Funding. In addition to other obligations created by this Agreement, in a manner consistent with its Charter, ordinances, orders, and administrative procedures, as well as applicable laws and regulations, the City from time to time shall disburse to the Corporation such funds as the City reasonably deems necessary and prudent for the Corporation to accomplish the purposes stated in the Corporation's Certificate of Formation or in the aforementioned Resolution No. 2012-17. In addition to this Agreement, the City and the Corporation may enter into such written agreements as are lawful and commercially reasonable to meet the City's needs for analyses of forensic evidence and related services.

Section 11.05. Funds Received by the Corporation. Funds lawfully received by the Corporation from any source shall be the sole property of the Corporation, subject to Section 4.02 of this Agreement.

ARTICLE 12. ACCOUNTING; MAINTENANCE AND PRESERVATION.

Section 12.01. Accounting Procedures and Standards. Absent a variance
approved in writing by the City's Finance Director, the Corporation will comply with the "Accounting Procedures and Standards for Local Government Corporations" prescribed by the City's Finance Director in his Memorandum dated October 28, 2013, a copy of which Memorandum is attached as Exhibit "E." In addition, the Corporation shall comply with its Bylaws, specifically including Sections 6.04 ("Assistance to City's Director of Finance"), 6.05 ("Audits"), and 7.05 ("Access to Books and Records").

Section 12.02. Maintenance and Preservation of Records and Things. As mandated by Section 7.04 of its Bylaws, the Corporation shall maintain books and records as required by Section 3.151 of the Texas Business Organizations Code, together with such additional records, documents, and physical things reasonably expected of a well-managed, fully accredited forensic science center. In addition, the Corporation will preserve all tangible and intangible things within the scope of this Section 12.02 for a minimum of seven years after the expiration or termination of this Agreement.

Section 12.03. Compliance with Texas Code of Criminal Procedure. The Corporation will take all actions necessary to ensure compliance with applicable provisions of the Texas Code of Criminal Procedure, specifically including applicable provisions of Article 38.43 of the said Code ("Evidence Containing Biological Material").

ARTICLE 13. ADDITIONAL GOODS AND SERVICES.

Section 13.01. IT Services. To facilitate an orderly transition of the Forensic Operations, until the earlier of notice from the Corporation or the expiration or termination of this Agreement, the City shall provide the Corporation with telephone services, together with information technology and network support services (including, but not limited to, access to the City Intranet, the HPD Intranet, network/remote access server, authentication server, and email servers) (collectively, "IT Services") on the same basis as such services were provided to HPD in the ordinary course of business sixty days before the Mayor's Signature Date, provided that the City may make such adjustments to the IT Services as necessary to comply with any state or federal law or with any written policy or procedure of HPD or the City in general in effect at least 120 days before the Mayor's Signature Date. The Corporation commits to obtaining IT Services from a private vendor as promptly as possible in light of operational circumstances and financial constraints.

Section 13.02. Access to AFIS. At no cost to the Corporation, the City will provide the Corporation with access to the Automated Fingerprint Information System ("AFIS") as necessary for the operation of an independent forensic science center as contemplated by the aforementioned Resolution No. 2012-17, including but not limited
to performance of the Forensic Operations.

Section 13.03. Additional Agreements. To assist the Corporation in the transition of responsibility for and control of the Forensic Operations from HPD to the Corporation, the City may provide the Corporation with goods and services not specifically addressed elsewhere in this Agreement, provided that the terms by which the City provides the goods and services are commercially reasonable and memorialized in a writing duly executed by both Parties. This Section 13.03 specifically contemplates an agreement by which the City's Office of the Inspector General may investigate allegations of misconduct by a New Hire and on the basis of such investigations make non-binding recommendations to the Executive Director.

ARTICLE 14. LEGAL REPRESENTATION; INDEMNIFICATION; INSURANCE

Section 14.01. "Covered Person." The City agrees that the Corporation and each New Hire is a "covered person" within the meaning of Chapter 2, Art. X, of the City's Code of Ordinances.

Section 14.02. Insurance. For the purpose of reducing financial risk to the City, the Corporation agrees to use its best good-faith efforts to obtain at reasonable cost, not later than the Completion Date, policies of insurance providing coverage for the activities of the Corporation at levels generally accepted by well-informed insurance professionals as prudent for businesses of a similar size and nature.

ARTICLE 15. FORCE MAJEURE.

Neither Party shall be liable for an inability to perform, or a delay in the performance of, an obligation under this Agreement (other than the payment of money) if and only to the extent that such nonperformance or delay is caused by Force Majeure, so long as the Party claiming Force Majeure is exercising all reasonable diligence to terminate the Force Majeure or its effects on the performance of this Agreement. A Party claiming Force Majeure as an excuse for nonperformance or delay under this Agreement shall provide the other Party with prompt notice of the first Party's invocation of this Article 15 and of the first Party's best good-faith estimate of when the Force Majeure will terminate. Force Majeure shall be deemed terminated with respect to a particular nonperformance or delay when its effects on such future performance have been substantially eliminated. If both Parties reasonably conclude that the Force Majeure will not terminate, or if in fact the Force Majeure does not terminate, until at least 180 days after receipt of the notice to which this Article 15 refers, the Party not claiming Force Majeure may terminate this Agreement by notice to the other Party.
ARTICLE 16. DEFAULTS AND REMEDIES.

Section 16.01. Default by Corporation. The occurrence of any of the events described in this Section 16.01 and the expiration of the applicable cure period without such event being cured shall constitute a "Corporation Default."

(a) The Corporation's breach of any covenant, condition, warranty, or other term of this Agreement, which breach is not cured within 60 days from the date of written notice from the City, provided, however, that if such default is not capable of being cured within such 60-day period, the Corporation shall have a reasonable period (not to exceed an additional 120 days) to complete such cure, as long as the Corporation promptly undertakes action to cure such default within such 60-day period and thereafter diligently prosecutes the same to completion.

(b) The dissolution or liquidation of the Corporation or the filing by the Corporation of a voluntary petition in bankruptcy; the failure by the Corporation promptly to remove any execution, garnishment, or attachment of such consequence as will impair materially its ability to carry on the Forensic Operations; the issuance of an order or decree by any court of competent jurisdiction providing for the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Corporation or any substantial part of the Corporation's property or ordering the winding up or liquidation of the Corporation's affairs; a general assignment by the Corporation for the benefit of its creditors; or the approval by a court of competent jurisdiction of a petition applicable to the Corporation in any proceeding for its reorganization instituted under the provisions of Title 11, United States Code, or under any similar act in any domestic or foreign jurisdiction.

Section 16.02. City's Remedies. In the event of any Corporation Default, the City shall have the following rights and remedies, together with any other rights or remedies to which it may be entitled at law or in equity:

(a) Upon notice to the Corporation, the City may terminate this Agreement effective not less than 90 nor more than 180 days after the date of the Corporation's receipt of such notice.

(b) The City may sue for injunctive relief as necessary to enforce the performance or observance of any material obligation, agreement, or covenant of
the Corporation arising from this Agreement.

Section 16.03. Default by City. The City's breach of any covenant, condition, warranty, or other term of this Agreement, which breach is not cured within 60 days from the date of written notice from the Corporation, shall constitute a "City Default," provided, however, that if such default is not capable of being cured within such 60-day period, the City shall have a reasonable period (not to exceed an additional 120 days) to complete such cure, as long as the City promptly undertakes action to cure such default within such 60-day period and thereafter diligently prosecutes the same to completion.

Section 16.04. Corporation's Remedy. In the event of any City Default, but only with prior written notice to the City, the Corporation may terminate this Agreement effective not less than 90 nor more than 180 days after the date of the City's receipt of such notice.

Section 16.05. Non-Waiver. Every provision hereof imposing an obligation upon the Corporation or the City is a material inducement and consideration for the execution of this Agreement by the Corporation and the City. No waiver by the Corporation or by the City of a breach of any provision of this Agreement shall be deemed a waiver of a breach of any other provision hereof or of any continuing or subsequent breach of the same provision.

Section 16.06. Limitation of Liability. Nothing contained in this Agreement is intended to waive, nor shall be construed as waiving, any Party's statutory limitation of liability for actual damages provided by law.

ARTICLE 17. GENERAL PROVISIONS.

Section 17.01. No Third-Party Beneficiaries. The Parties agree that only the Parties to this Agreement are intended to benefit from, or to have any right to enforce, this Agreement. The Parties intend that no entity or person (specifically including each employee and former employee of the City or of the Corporation) will ever be deemed a third-party beneficiary of this Agreement. Without limiting the scope of the preceding two sentences, the Parties declare that reliance on Article 6 or Article 7 of this Agreement by an employee of the City or of the Corporation will be unreasonable, per se.

Section 17.02. Severability. If any provision of this Agreement is held to be unlawful, invalid, or unenforceable under any present or future laws, such provision shall be fully severable, and this Agreement then will be construed and enforced as if
such unlawful, invalid, or unenforceable provision had not been a part hereof. The remaining provisions of the Agreement shall remain in full force and effect and shall not be affected by such unlawful, invalid, or unenforceable provision or by its severance from this Agreement.

Section 17.03. Venue; Choice of Law. Harris County, Texas, shall be the proper place of venue for litigation related to this Agreement. Any legal proceeding in respect of this Agreement shall be brought in the state district courts of Harris County, Texas, or in the United States District Court for the Southern District of Texas, Houston Division. Each of the Parties hereby irrevocably submits to the nonexclusive jurisdiction of the state and federal courts of the State of Texas. This Agreement shall be subject to and construed and enforced in accordance with the internal laws of the State of Texas, without giving effect to any conflict of laws principles.

Section 17.04. Further Assurances. Each of the Parties, at all times and from time to time hereafter, and upon reasonable written request to do so, shall make, do, execute, deliver, or cause to be made, done, executed and delivered, all such further acts, deeds, instruments, assurances, and things as may be required to satisfy the obligations of this Agreement, specifically including the obligations created by Article 3. The Mayor is hereby authorized to execute, deliver, or cause to be made, done, executed or delivered all of the foregoing on behalf of the City.

Section 17.05. Entire Agreement; Amendments. This Agreement constitutes the entire agreement between the Parties regarding the subject matter hereof. This Agreement may not be amended except by a written instrument duly authorized and executed by the City and the Corporation. Notwithstanding anything to the contrary in this Agreement, the Parties specifically acknowledge their willingness to negotiate an amendment of this Agreement in the event the Corporation's Certificate of Formation is amended to add one or more governmental entities, including but not limited to Harris County, Texas, as a joint sponsor of the Corporation.

ARTICLE 18. NOTICE.

Whenever any notice, consent, or approval (collectively, a "Notice") is required or permitted under this Agreement, the Notice shall be in writing and shall be deemed to be delivered five days after being deposited in the United States mail, postage prepaid, Certified Mail, Return Receipt Requested, or, if delivery is by courier, upon actual receipt by the Party to whom the Notice is being given. In either case the Notice shall be addressed to the Party at its address as set forth below, or at such other address as the Party has provided to the other Party in writing at least ten days earlier, in accordance with this Article 18.

DATE:  October 28, 2013

RE:  Accounting Procedures and Standards for Local Government Corporations

As authorized by Paragraphs 5.4.1 and 5.4.2 of City of Houston Executive Order No. 1-29 ("E.O. No. 1-29"), this Memorandum prescribes accounting procedures and standards for a local government corporation ("LGC" or "Corporation") created by and receiving funds from the City.

Absent an exception approved in writing by the Director of Finance, the Board of Directors of the LGC must take the following actions as soon as reasonable after the LGC's incorporation:

Designate a qualified "Finance Officer" responsible for establishing the LGC's accounting system, controlling expenditures, managing cash and other assets, and preparing financial statements and budgets. The said officer may be, but is not required to be, the Treasurer or other officer of the Corporation. The officer may be an employee of the LGC or of the City, or he may be an independent contractor.

2. Establish and maintain fiscal operations consistent with Generally Accepted Accounting Principles (GAAP) and policies governing budgeting, debt financing (if applicable), and financial reporting.

3. Establish and maintain resources and procedures necessary to ensure the LGC's compliance with Sections 3.151, 22.352, and 22.353, Texas Business Organizations Code, as well as Paragraphs 5.3.2.4 and 5.3.2.5 of E.O. No. 1-29.

4. Establish and maintain the following accounting records or their computerized equivalents:
   - Uniform chart of accounts
   - Controlled numbered official receipts
   - Controlled numbered official checks
   - Detailed receipt journal
   - Detailed disbursement Journal
   - General ledger

5. Establish and maintain resources and procedures so that the LGC's financial operations are amenable to (a) audit in accordance with GAAP and with Governmental Auditing Standards (GAS) and (b) inclusion in the City's Comprehensive Annual Financial Report (CAFR).

6. Establish and maintain procedures so that all books, ledgers, journals, accounts, and other financial records of the LGC are maintained in their original forms or computerized equivalents for a minimum of five years after each record's creation.

7. No later than March 1 of each year, the Corporation shall submit to the City's Finance Director a draft budget approved by the Board for the Corporation for the fiscal year commencing on July 1.

8. The Corporation shall submit monthly financial statements to the City's Finance Director or his/her designee no later than 45 days of the end of the period.

ARTICLE 1.
Certain Definitions, Basic Provisions and Cross References

Section 1.1 The following definitions, basic provisions and cross references are placed at the beginning of this Lease for easy reference to certain material terms and provisions of this Lease. Landlord and Tenant hereby agree that each and every provision contained in this Lease is material to the agreements between Landlord and Tenant relating to the Leased Premises (hereinafter defined), and no implication is intended, nor shall any implication be inferred, that the failure to define or reference a term, provision, covenant, agreement or condition in this Article 1 shall mean that such term, provision, covenant, agreement or condition is not material or an integral part of this Lease. This Lease should be read carefully and in full for all the terms, provisions, covenants, agreements and conditions that are material to the intent and agreements of the parties under this Lease.

(a) "Project" means the land, together with any improvements, common areas and parking facilities thereon located and having a street address of 500 Jefferson, Houston, Harris County, Texas 77002, and as shown on Exhibit "A", attached and made a part of this Lease.

(b) "Leased Premises" mean (i) floors thirteen (13), fourteen (14), fifteen (15) eighteen (18) and 3,000 square feet of B-1 (the basement) area of the Project, each floor being approximately 20,020 square feet for a total of approximately 83,080 square feet of rentable square feet of space out of the Project; and (ii) the parking facilities adjacent to and in front of the building, as shown on Exhibit "B", attached and made a part of this Lease, together with all alterations, repairs, additions and improvements made pursuant to this Lease, including those shown on Exhibit "E", attached and made a part of this Lease, such space being commonly known by its mailing address of 500 Jefferson, Houston, Texas 77002.

(c) "Occupancy Date" means the earlier of the date Tenant conducts regular business in the Leased Premises as each floor is occupied by Tenant or March 1, 2019. Landlord and Tenant estimate that Substantial Completion of floors thirteen (13), fourteen (14) and fifteen (15) of the Leased Premises
will occur on March 1, 2019 and Substantial Completion of eighteenth (18th) floor and the basement shall be October 1, 2019. Notwithstanding anything to the contrary in this Lease, if Substantial Completion of floor 18 and the basement area occurs prior to November 1, 2019, Tenant may elect, by delivering written notice of the same to Landlord, to occupy floor 18 and the basement area of the Leased Premises (the “Early Occupancy”) as of such prior date. During any Early Occupancy, Tenant shall be subject to all of the terms and conditions of this Lease, except that Tenant shall not be obligated to pay Rent; provided, however, (i) Tenant shall be required to pay the cost of electricity consumed by Tenant, and its share of operating expenses as set forth herein and (ii) as of March 1, 2019, Tenant shall commence paying Rent for floors thirteen (13), fourteen (14) and fifteen (15) of the Leased Premises and (iii) as of October 1, 2019, Tenant shall commence paying Rent for floor eighteen (18) and the basement area of the Leased Premises. Landlord and Tenant agree to execute the Certificate of Commencement, in the form attached and made a part of this Lease as Exhibit “D”, as soon as reasonably practical after the Occupancy Date of each floor.

(d) “Lease Term” means thirty (30) years commencing on the Occupancy Date, for floor 15, unless sooner terminated or extended pursuant to the terms of this Lease.

(e) “Lease Effective Date” means the date of countersignature by the City Controller, provided that Landlord has already affixed its signature to the Lease before Tenant’s signature is affixed. Tenant acknowledges and agrees that (i) Landlord’s affixation of its signature to this Lease and delivery of the same to Tenant shall constitute an offer to lease the Leased Premises to Tenant on the terms and conditions contained in this Lease, and (ii) if Tenant fails to cause the Lease Effective Date to occur within sixty (60) days after Tenant’s receipt of the same, Landlord shall have the right to withdraw such offer upon delivering written notice of such withdrawal to Tenant.

(f) “Monthly Payment” means the following amount due to Landlord each calendar year during the Lease term, payable monthly and is based on the rental rate based on square footage measurement of the Leased Premises as reflected in Exhibit “C”, attached hereto and incorporated herein for all purposes.

(g) “Additional Rent” means that, in addition to the Monthly Rent, Tenant shall pay to the Landlord “Operating Expenses” (as further described in Section 3 below, attached hereto and incorporated for all purposes). Monthly Rent, Operating Expenses and any other amounts to be paid by Tenant under the terms of this Lease shall be referred to collectively as “Rent.”
(h) "Controllable Operating Expense" means all expenses which are within reasonable control of the Landlord either directly or indirectly. Property Taxes shall be reviewed and challenged as appropriate by the Landlord on an annual basis. Controllable Operating Expenses shall be capped at 7% per annum.

(i) "Permitted Uses" mean any and all uses as required for the operation and support of forensic science purposes, including but not limited (i) to receipt, storage, analysis, testing, ballistic testing, transportation and other use; (ii) handling of firearms, ammunition, explosives, seized drugs, blood and bio materials, hazardous substances and other evidence; (iii) shooting tank and, at minimum, a twenty-five (25) foot long firing range (within the basement area of the Leased Premises) in connection with forensic use; and (iv) office space, wet labs, and evidence rooms.

(j) "Seized Drugs" mean drugs in Tenant's possession in connection with Permitted Uses.

(k) "Hours of Operation and Access" mean 6:00 am to 7:00 pm with a 24 hour a day, seven (7) days a week access including all holidays observed by the City of Houston. Due to the sensitive nature of the Tenant's activities, Landlord shall coordinate with Tenant any access to Tenant's space, with such access not to be unreasonably denied by Tenant. Tenant will develop procedures for emergency access and provide a copy to the Landlord. Landlord shall, at all times, comply with Tenant's security requirements and measures, including any restrictions, conditions, designations, prohibitions or requirements.

(l) "Work Letter" means the letter between Landlord and Tenant concerning build-out of the Leased Premises, such letter to be substantially in the form of Exhibit "E" attached hereto and incorporated herein.

**ARTICLE 2. Granting Clause**

Landlord hereby demises and leases to Tenant, and Tenant hereby rents, accepts and takes from Landlord, the Leased Premises, TO HAVE AND TO HOLD said Leased Premises for the Lease Term, all upon the terms, provisions, covenants, agreements and conditions set forth in this Lease.
ARTICLE 3.
Rent: Operating Expenses; Extension Option

Section 3.1 Tenant agrees to pay to Landlord each month during the Lease Term, without demand (except as expressly provided in Section 3.2), deduction or offset, the Rent. The first Rent payment shall commence on the Occupancy Date. Subsequent Rent payments shall be due and payable on the first (1st) day of each calendar month during the Lease Term. Rent payments shall be prorated for any partial month. NO SECURITY DEPOSIT SHALL BE REQUIRED FROM TENANT.

Section 3.2

(a) "Operating Expenses" shall be defined as the actual Operating Expenses incurred by Landlord for any calendar year starting with the year of the Occupancy Date (subject to adjustment pursuant to Section 3.2(e)). During the Term, Tenant shall pay its pro rata share of operating expenses and real estate taxes for the Project, both imputed to ninety-five (95) percent occupancy. Operating Expenses are estimated to be ten (10) dollars per square foot for year 2019. Increases in Controllable expenses shall be capped at seven (7) percent annually. "Operating Expenses" shall be defined as all reasonable costs, charges, and expenses incurred directly by Landlord with respect to operating, repairing, landscaping, maintaining, managing, and insuring the Project, as determined on cash basis accounting consistent with past practices by the Landlord in which shall include, but not be limited to, the heating, cooling, ventilation, electrical, lighting, water, and plumbing systems serving the Project, the costs of maintenance and service agreements maintained on such systems, the costs for those services to be provided by Landlord pursuant to Article 9, the cost of alarm service, the cost of supplies and materials associated with any of the activities described herein, and all accounting, legal, and administrative costs (except as outlined in Exhibit "F" of the Project. Except for the amortization charges outlined in Exhibit "F", attached hereto and incorporated herein, Operating Expenses shall not include any improvements or alterations Landlord makes to the Project that would be considered capital improvements under generally accepted accounting principles. Operating Expenses shall also include "Real Estate Taxes," which shall be defined as all real estate taxes and installments of special and annual assessments (as well as any interest due), attributable to the respective Lease Year, which apply to the Project, all personal property taxes which apply to the personal property located in the Project used in connection with the operation and maintenance thereof; and all other governmental charges, general and special, ordinary and extraordinary, foreseen as well as unforeseen, of any kind and nature whatsoever, or other tax, however described, levied or
assessed by the United States of America, the State of Texas, or any political subdivision thereof, including county, municipal, or school district taxes, against Landlord for all or any part of the Project. If any assessments are payable in installments and Landlord elects to pay them in installments, Real Estate Taxes for such year shall include only those installments, plus any interest due thereon, attributable to the respective Lease Year. Real Estate Taxes shall also include any reasonable expenses, including legal fees and court costs, incurred in protesting or challenging any Real Estate Taxes. Notwithstanding the foregoing, Real Estate Taxes shall not include penalties, interest, or late charges assessed for failure to timely pay taxes, any net income tax, estate tax, or inheritance tax. Operating Expenses shall also include the costs of capital improvements or structural repairs or replacements made in or to the Project in order to conform to changes, subsequent to the date of this Lease, in any applicable laws (herein "Required Capital Improvements") or the costs incurred by Landlord to install a new or replacement capital item for the purpose of reducing Operating Expenses (herein "Cost Savings Improvements"), and a reasonable reserve for all other capital improvements and structural repairs and replacements reasonably necessary to permit Landlord to maintain the Project in its current class. The expenditures for Required Capital Improvements and Cost Savings Improvements shall be amortized over the useful life of such capital improvement or structural repair or replacement (as determined by Landlord). All costs so amortized shall bear interest on the unamortized balance at the rate of five (5.0) percent per annum or such higher rate as may have been paid by Landlord on funds borrowed for the purpose of construction of these capital improvements. Notwithstanding any other provisions contained in this Lease, Operating Expenses shall not include (1) major repairs and replacements to the roof, walls, floor slab, plumbing and all structural components, and 2) that portion of the management fees that exceed the lesser of market rate management fees charged for similarly situated and comparable office buildings and properties or three and a half percent (3.5%) of the gross revenues of the Project, or (2) the exclusions set forth on the exclusion list attached hereto and incorporated herein as Exhibit "F". The management fee shall be set and fixed in the Base Operating Expenses. Landlord shall continue to maintain complete, accurate, and detailed books and records of Operating Expenses as it has during its ownership of the Project.

(b) "Tenant Pro Rata Share" means twenty-one and 62/100 percent (21.62%) share of the Operating Expenses for the applicable Lease Year based on the square footage of the Leased Premises. Anything herein to the contrary notwithstanding, it is agreed that in the event the Project is not fully occupied during any Lease Year, a reasonable and equitable adjustment shall be made by Landlord in computing the Operating Expenses for such year so that the Operating Expenses (including assessed real estate taxes based on 95%
occupancy) are a reasonable approximation of the amount that would have been incurred had the Project been fully occupied during the entirety of such year. Notwithstanding the foregoing, Controllable Operating Expenses shall not increase by more than seven percent (7%) (on a cumulative and compounding basis) each year during the Term of the Lease. Landlord agrees that it will utilize a consistent methodology year to year in making such adjustments and, upon Tenant's request, will provide a reasonably detailed explanation of the adjustment made to Real Estate Taxes and to each component of Operating Expenses adjusted by Landlord. Controllable Operating Expenses are expenses within the reasonable control of Landlord thus excluding, without limitation, Ad Valorem taxes, building insurance, Tenant specific utilities and government-mandated increases in minimum wage. Non-controllable expenses shall be limited to Tenant's pro rata share.

(c) As to each Lease Year, Landlord shall estimate for each such Lease Year and deliver to Tenant:

(i) the total amount of Operating Expenses estimated to be incurred for such Lease Year;

(ii) Tenant's Pro Rata Share of Operating Expenses estimated to be incurred for such Lease Year; and

(iii) The computation of the Rent payable during such Lease Year. Said estimate shall be in writing and shall be delivered or mailed to Tenant at the Leased Premises. Upon completion of each Lease Year, Landlord shall determine the actual amount of Operating Expenses for such Lease Year and deliver a written certificate of the amounts thereof to Tenant. Landlord shall use commercially reasonable efforts to deliver such certificate to Tenant within one hundred eighty (180) days after the end of each Lease Year. If for any Lease Year Tenant has paid less than its Pro Rata Share of Operating Expenses, Tenant shall pay the balance of its Additional Rent within fifteen (15) days after the receipt of such certificate. If for any Lease Year Tenant has paid more than its Pro Rata Share of Operating Expenses, Landlord shall credit such excess against the most current monthly installment or installments due Landlord of Additional Rent, except that if an excess exists at the end of the Term, Landlord shall refund such excess to Tenant, less any amounts due and owing to Landlord under this Lease. In no event shall any adjustments as a result of this Article 3 result in Tenant paying less than the Base Rent in any Lease Year. A pro rata adjustment shall be made to Additional Rent for a fractional Lease Year occurring during the Term based upon the number of days of the Term during said Lease Year as compared to three hundred sixty-five (365) days, and all additional sums payable by Tenant or credits due Tenant as a result of the provisions of this Article 2 shall be adjusted accordingly when finally ascertained.
(d) Within thirty (30) days of receipt of the certificate stating the amount of Operating Expenses for a Lease Year, Tenant may request to audit the Operating Expenses for the Lease Year and Landlord shall provide all the information and supporting documentation to the Tenant or its agent within 10 business days of such request. If Tenant shall dispute any item or items included in the determination of Operating Expenses for a particular Lease Year, and such dispute is not mutually resolved by Landlord and Tenant within sixty (60) days after Tenant has given written notice to Landlord thereof, Tenant may request in writing to audit the books and records of Landlord relating to Operating Expenses; provided, however, unless Tenant shall complete said audit within one hundred twenty (120) days from the date of receipt of Landlord’s year-end written certificate and make a claim for adjustment within one hundred eighty (180) days of the date of receipt of Landlord’s year-end written certificate, Tenant shall forfeit its right to claim any adjustment to Tenant’s pro rata share of Operating Expenses or Real Estate Taxes for such Lease Year.

(e) The audit will be conducted at Tenant’s expense by a regionally or nationally recognized certified public accounting firm or a CPA (defined below) or by qualified personnel from Tenant’s accounting department. Under no circumstance shall the audit be performed by a firm paid upon a contingency basis. If Tenant’s audit reveals that the Operating Costs charged to Tenant exceed or were less than Tenant’s Proportionate Share of the actual Operating Costs (unless challenged by Landlord within ten (10) days after receipt of a complete copy of such audit), then Landlord will reimburse Tenant for any overcharge, or Tenant will pay to Landlord any undercharge, as applicable, promptly after such final determination. In the event of a confirmed overcharge of Operating Costs to Tenant in excess of five percent (5%) of Tenant’s Proportionate Share of actual Operating Costs in any such year, Landlord also shall reimburse Tenant for the reasonable cost of Tenant’s audit (“Audit Expense”) up to three thousand five hundred and 00/100 dollars ($3,500). If there is a dispute between Landlord and Tenant relating to the determination of whether or not there is an overcharge or undercharge relating to Operating Costs and the parties cannot in good faith resolve such issue within thirty (30) days, then Landlord and Tenant shall use reasonable efforts to agree, within ten (10) days following the expiration of such thirty (30) -day period upon the appointment of one (1) CPA to resolve the matter. If an agreement on a single CPA cannot be reached within the ten (10)-day period, Landlord and Tenant shall each appoint their own respective CPA within ten (10) business days following the elapse of the ten (10)-day period and shall specify the name and address of their respective CPA to the other party prior to the expiration of such ten (10)-business day period; provided, that if one party fails to specify the name and address of its selected CPA within such ten (10)-business day period, the other party shall give the failing party written notice and if within five (5) days after such written notice the failing party still has not specified a CPA, the CPA selected by the other party shall act as the single CPA as if both parties had agreed to the appointment of such CPA as provided above. The selected CPAs shall then meet within ten (10) days of the appointment of the last of the two, and if such CPAs are unable to agree upon such matter within fifteen (15) days, they shall appoint a third CPA within ten (10) business days.
following expiration of this period. If the two CPAs are unable to agree upon a third CPA within such ten (10) -business day period, the third CPA shall be appointed as soon as reasonably possible thereafter by the American Arbitration Association (or any successor organization, or if no successor organization shall then exist, by a court of competent jurisdiction residing in Harris County, Texas), subject to the qualification requirements set forth below. The term "CPA" shall mean a certified public accountant licensed in the State of Texas. The cost and expense incurred by the CPAs' review shall be borne equally by the parties.

Notwithstanding anything contained in this Lease to the contrary, Landlord acknowledges and agrees that all Rent and any other payments payable to Landlord by Tenant shall be made by warrant issued by the Tenant's Controller (or its designee) within ten (10) days of receipt of an invoice by Tenant. Rent will be made payable to Landlord at 22310 Grand Corner Drive, Suite 140, Katy, TX 77494, Attention: Director of Finance, or to such other address as Landlord may provide to Tenant in writing from time to time. Landlord hereby admits its knowledge and notice that the ability of Tenant to make Rent and any other payments payable to Landlord by Tenant is completely dependent upon and limited by the extent to which funds may be certified by the City of Houston City Controller as available for use in making Monthly Payments under this Lease. Notwithstanding the foregoing, provided Landlord has sent the required invoice, Tenant acknowledges that it will be in default of its obligations under this Lease if it has not tendered payment of the Rent on or before the first (1st) day of each month during the Lease Term. If Landlord fails to send the required invoice, Tenant shall not be relieved of any of its obligations or liabilities under this Lease, except that Tenant’s obligation to pay the monthly Rent applicable to such required invoice will be temporarily relieved until Landlord sends such required invoice, at which time such obligation shall be fully restored.

Section 3.4 During the Lease Term and subject to the rights of any other existing tenant in the Project, as of Effective Date of the Lease, Tenant shall have a continuing and recurring right of refusal and preferential right to lease any space which from time to time shall be or becomes available for direct lease on the floors in the same elevator bank of the Tenant occupied floors at the then Market Rate. In each and every instance under the Lease in which Market Rate is to be determined, integral to such determination shall be all relevant economic factors as enumerated above (unless this Lease expressly provides otherwise), including, but not limited to, lease takeovers, abatements, leasehold improvements and other allowances. Tenant shall have 30 days from the time notice has been provided to provide a binding commitment to Landlord of its intent to lease the expansion space and if Tenants fails to timely notify Landlord within that time period, Landlord shall be free to lease the expansion space to any other prospective tenant consistent with the terms of this Agreement.

Section 3.5 Tenant may terminate this Lease after 10 years by providing a (5) year written notice to Landlord in the 10th, 15th or 20th year of the Lease Term (the effective date of Lease termination to be at the end of the 15th, 20th or 25th year), with all remaining Rental Payment, including operating expenses, being abated and any annual payment paid in advance refunded proportionately by applying the square foot rental rate to the remaining annual time. For the purposes of this Section, Parties agree that the total amount of the unamortized improvements and broker fees is Twelve (12) Million Dollars or four hundred thousand (400,000.00) dollars per year. In the event of early termination of this Lease, the annualized dollar amount shall be multiplied by the number of years left in the 30-year term after the effective date of the Lease termination and the product of those two numbers shall constitute the termination fee to be paid by Tenant.

Should Tenant not terminate the lease as described above, the Lease shall remain in full force and effect for the remaining term.

Section 11.1 If any of the floor areas of the Leased Premises should be taken for any public or quasi-public use under any governmental law, ordinance or regulation or by right of eminent domain or by private purchase in lieu thereof, which taking materially interferes with Tenant's use and occupancy of the Leased Premises, either party shall have the option to terminate this Lease within thirty (30) days after the above determination. If neither party terminates this Lease within such period, Landlord shall make all necessary repairs or alterations to make the Leased Premises an architectural whole.

Section 11.2 All compensation awarded for any taking (or the proceeds of a private sale in lieu thereof) of the Project or the Leased Premises shall be the property of Landlord and Tenant shall not be entitled to any part of the compensation paid for the taking of Tenant's leasehold estate; provided, however, Tenant shall be entitled to seek compensation for any of Tenant's personal property taken by the condemning authority, which would remain the property of Tenant if this Lease expired in accordance with its terms, provided such award in no way diminishes Landlord's award for the taking of the Project, the Leased Premises or any leasehold estate therein.

ARTICLE 12
Assignment and Subletting

Section 12.1 Tenant shall have the right to assign, sublet, transfer or encumber this Lease, or any interest therein, without the prior written consent of Landlord to any city, state or federal governmental entity providing substantially the same services as identified in the Permitted Use provided that Tenant shall not be released from liability under this Lease.

Section 12.2 In the event of transfer or assignment by Landlord of its interest in any portion of the Leased Premises or this Lease, Landlord shall be released from any obligations hereunder pertaining to such portion of the Leased Premises or this Lease arising after the date of transfer or assignment; however, Landlord shall not be released and will continue to be liable for any obligations arising prior to such transfer or assignment.
ARTICLE 13
Default by Tenant and Remedies

Section 13.1 The occurrence of any of the following events shall constitute an “Event of Default” by Tenant under this Lease:

(a) Tenant shall fail to pay any Rent, or any other expense demanded by Landlord as herein provided, and such failure shall continue for a period of thirty (30) days after written notice thereof to Tenant by Landlord (provided that Landlord shall not be required to provide such notice more than two (2) times during any calendar year, after which time an Event of Default shall occur immediately upon Tenant’s failure to pay Monthly Rent when due under this Lease).

(b) Tenant shall fail to comply with any term, provision or covenant of this Lease, other than the Monthly Payment or expenses demanded by Landlord, and such failure shall continue for a period of thirty (30) days after written notice thereof to Tenant by Landlord.

Section 13.2 Upon the occurrence of an Event of Default under Section 13.1(a), Landlord shall have the option to terminate this Lease, or to pursue any other remedies at law or in equity. Upon the occurrence of an Event of Default under Section 13.1(b), Landlord shall have the option, provided Tenant fails to cure such default after Landlord has given Tenant an additional sixty (60) days prior written notice specifying such default with particularity, to terminate this Lease, or to pursue any other remedies at law or in equity.

ARTICLE 14
Default by Landlord and Remedies

Section 14.1 If Landlord defaults in the performance of any material covenants, services or agreements contained within this Lease which (i) are within Landlord’s reasonable control and (ii) render the Leased Premises or any portion thereof “untenantable” to any material extent to reasonably support the forensic operations of the Tenant, and fails to cure such default within thirty (30) days after written notice thereof is given by Tenant describing such default with particularity (provided, however, that if such default cannot reasonably be cured within said thirty (30) day period said period shall be extended so long as Landlord shall diligently prosecute such cure to completion) then Tenant may, at its option, terminate this Lease or pursue any other remedies available to Tenant at law or in equity. Notwithstanding anything to the contrary contained in this Lease, in the event of a default by Landlord as described above, Tenant shall be
entitled to cure such default on behalf of and at the expense of Landlord (hereinafter referred to as “Tenant's Right of Self-Help"), subject to the terms and conditions of this Section 14.1. Tenant shall not be entitled to exercise Tenant's Right of Self-Help unless and until (a) Tenant has provided Landlord with an additional written notice of Landlord's default under this Lease and thirty (30) days thereafter to cure such default and (b) Landlord fails to cure such default within such additional time period. Tenant's Right of Self-Help shall permit Tenant to perform all reasonable and necessary work and make all necessary payments to protect Tenant's continued use and occupancy of the Leased Premises. Landlord shall pay Tenant on demand the reasonable, out-of-pocket costs incurred and any amounts so paid by Tenant on behalf of Landlord arising out of Tenant's exercise of Tenant's Right of Self-Help, together with all interest accrued thereon at a rate of one percent (1%) per month, or if such rate is above the maximum legal rate then at the maximum legal rate, until Tenant has been completely reimbursed. Landlord and Tenant stipulate that material covenant, services or agreements for the purposes of this Article are those events that impact (i) life and safety of the Tenant's employees; (ii) essential services to Lease Space; or (iii) operation of the forensic laboratory, including but not limited to storing of the forensic evidence.

ARTICLE 15. Subordination

Tenant accepts this Lease subject and subordinate to any mortgage, deed of trust or other lien presently existing or hereafter created upon the Project, and to any renewals and extensions thereof. Landlord is hereby irrevocably vested with full power and authority to subordinate this Lease to any mortgage, deed of trust or other lien hereafter placed upon the Project, and Tenant agrees to execute such further instruments subordinating this Lease as Landlord may request. Tenant's subordination shall be expressly conditioned upon Landlord securing a non-disturbance agreement from any lender, which assures Tenant that in the event of foreclosure, or in the event title to the Project is transferred in lieu of such foreclosure, or in the event any lender directly or indirectly becomes the new landlord of the Leased Premises, that the terms of this Lease will not be terminated, disturbed, or adversely affected, so long as Tenant is not in default at such time. Landlord agrees that, within thirty (30) days from the date of execution of this Lease, it will provide Tenant with commercially reasonable non-disturbance agreements in favor of Tenant from any ground lessors, mortgage holders or lien holders then in existence or, if none are in existence, Landlord shall acknowledge that there are no ground lessors, mortgage holders or lien holders. Said non-disturbance agreements shall be recorded, at Tenant's election and at Tenant’s sole cost and expense, in the Real Property Records of Harris County, Texas. In the event Landlord fails to provide such non-disturbance agreements within the time frame set forth herein, Tenant shall have the right to terminate this Lease and Landlord shall reimburse Tenant for all of Tenant's out-
of-pocket costs incurred in connection with this Lease; provided, however, such right shall be waived unless exercised by Tenant within sixty (60) days after Landlord fails to provide the non-disturbance agreement within the time frame set forth herein.

ARTICLE 16.
Environmental Restrictions

Section 16.1 Prior to the Occupancy Date, Landlord and Tenant shall provide to each other a list of pesticides or herbicides, used by the Landlord (or by other tenants in the Project to the extent their Lease allows use of such chemicals with in their leased space) or by Tenant and will update the list as each party is made aware of any additional similar substances in the Project. Landlord will not intentionally store or dispose of any hazardous substances on the Leased Premises, and likewise, Tenant agrees it will only use hazardous substances in connection with the Permitted Use. Tenant shall abide by all applicable local, state and federal laws in disposal of hazardous materials and shall establish its own internal policy regarding such substances, providing such policy to Landlord upon request. Tenant or Landlord may request in writing, a list of other substance utilized by the Landlord in maintenance of the Project during the Lease Term.

Section 16.2 Each party shall promptly notify the other party upon the notifying party becoming aware of: (i) any enforcement, cleanup, or other regulatory action taken or threatened against either party by any governmental or regulatory authority with respect to the presence of any Hazardous Material on the Project, (ii) any demands or claims made or threatened by any party against Landlord, Tenant relating to any loss or injury resulting from any Hazardous Material, (iii) any unlawful release, discharge or nonroutine, improper or unlawful disposal or transportation of any Hazardous Material on or from the Project, and (iv) any matters where the party is required by law to give a notice to any governmental or regulatory authority respecting any Hazardous Materials in the Project. At such times as Tenant may reasonably request, Landlord shall provide Tenant with a written list identifying any Hazardous Material then actually known to Landlord to be then used, stored, or maintained upon the Project, a copy of any material safety data sheet (“MSDS”) issued by the manufacturer therefore, written information concerning the removal, transportation and disposal of the same, and such other information as the requesting party may reasonably require or as may be required by law. The term “Hazardous Material” shall mean any chemical, substance, material or waste or component thereof which is now or hereafter listed, defined or regulated as a hazardous or toxic chemical, substance, material or waste or component thereof by any federal, state or local governing or regulatory body having jurisdiction or under any applicable environmental laws, or which would trigger any employee or community “right-to-know” requirements adopted by any such body, or for which any such body has adopted any requirements for the preparation or distribution of an MSDS.
Section 16.3 If any Hazardous Material is released, discharged or disposed of by Landlord or Tenant or their respective employees, agents or contractors, on or about the Project in violation of the foregoing provisions, the releasing, discharging or disposing party shall immediately, properly and in compliance with all applicable laws and ordinances, clean up and remove the Hazardous Material from the Project and any other affected property, at such party’s sole cost and expense. Such clean up and removal work shall include, without limitation, any testing, investigation and/or preparation and implementation of any remedial action plan required by any governmental body having jurisdiction. If the releasing, discharging or disposing party shall fail to comply with the provisions of this Section within five (5) days after written notice by the other party, or such shorter time as may be required by law, the other party may (but shall not be obligated to) arrange for such compliance directly through contractors or other parties selected by the other party, at the releasing, discharging or disposing party’s expense.

Section 16.4 Landlord represents and warrants to Tenant that, to Landlord’s knowledge, (i) the Leased Premises have been tested for airborne fibers (including, but not limited to, asbestos fibers) using the Phase Contrast Microscopy, NIOSH 7400 method, and the amount of airborne fibers on the Leased Premises shown by such testing does not exceed 0.01 fibers per cubic centimeter, and (ii) the air conditioning ducts on the Leased Premises are self-contained from other parts of the Project in a manner which would substantially prevent asbestos containing materials from being transmitted to the Leased Premises through the air conditioning ducts. Landlord has provided or will provide within ten (10) days after the Lease Effective Date copies of all reports in Landlord’s possession relating to the tests described above.

Section 16.5 Landlord gives Tenant the right, upon prior written notice to Landlord, to test for airborne fibers, at Tenant’s sole cost and expense, during normal business hours within the period of time beginning on the Lease Effective Date and ending thirty (30) days after the Lease Effective Date, and in which event Tenant shall promptly provide Landlord with any “Test Result Notice”. Unless required otherwise by any federal, state or local law, rule or ordinance governing asbestos testing in Houston, Harris County, Texas (in which case Landlord covenants to comply with such application requirements), such testing shall be performed using Phase Contrast Microscopy. If a Test Result Notice reveals that the airborne fiber level in any portion of the Leased Premises exceeds the “Acceptable Level” (defined as the lesser of (i) the lawful legal limit applicable to real estate in Houston, Harris County, Texas, or (ii) 0.01 fibers per cubic centimeter), Landlord shall have the option, for a period of thirty (30) days (“Retest Period”) following such Test Result Notice, to conduct, at Landlord’s sole cost and expense, additional testing to verify whether the asbestos fiber level in the Leased Premises exceeds the Acceptable Level. If, upon the expiration of the Retest Period, Landlord has elected not to conduct such additional testing or if Landlord has conducted such additional testing and such additional testing verifies that the asbestos fiber level in the Leased Premises exceeds the Acceptable Level, then Tenant shall have the option to either (a) continue to remain in the Leased Premises with all lease terms and conditions remaining unchanged or (b)
terminate this Lease by giving written notice to Landlord (provided that such termination notice must be supplied within thirty (30) days after the expiration of the Retest Period or such right will be deemed waived by Tenant). Rent shall abate during the Retest Period (and any thirty (30) day period thereafter that Tenant is entitled to terminate this Lease), but only to the extent that Tenant does not occupy the Leased Premises during such periods.

If a Test Result Notice reveals that the airborne fiber level in any portion of the Leased Premises exceeds the "Acceptable Level" (defined as the lesser of (i) the lawful legal limit applicable to real estate in Houston, Harris County, Texas, or (ii) 0.01 fibers per cubic centimeter), then Tenant shall have the option, exercisable only for a period of thirty (30) days after Landlord's receipt of the Test Result Notice, to terminate this Lease by giving written notice to Landlord.

ARTICLE 17. Notices

Wherever any notice is required or permitted hereunder such notice shall be in writing. Any notice or document required or permitted to be delivered hereunder shall be deemed to be delivered when deposited in the United States mail, postage prepaid, Certified or Registered Mail, Return Receipt Requested, addressed to the parties hereto at their respective addresses set forth in the preamble paragraph of this Lease or such other address as may be specified by written notice.

ARTICLE 18. Holding Over by Tenant

In the event Tenant remains in possession of the Leased Premises without the execution of a new lease, Tenant shall be deemed to be occupying the Leased Premises as a tenant from month-to-month at (a) one hundred twenty-five percent (125%) of the Monthly Payment and any other sums then due and payable by Tenant under this Lease for the first sixty (60) days of Tenant's holdover, and (b) one hundred fifty percent (150%) of the Monthly Payment and any other sums then due and payable by Tenant under this Lease for any holdover period after the first sixty (60) days. Landlord and Tenant shall be subject to all the conditions, provisions and obligations of this Lease insofar as the same are applicable to a month-to-month tenancy.

ARTICLE 19. Brokerage

Landlord will pay in full a brokerage commission to Tenant's designated broker: Customized Real Estate Services, Inc. dba CRES & Associates and Landlord's
designated broker Greenmark Realty, as provided under separate commission agreements.

ARTICLE 20.
Estoppel Certificate

Tenant shall from time to time, upon written request by Landlord or a lender, deliver to Landlord or a lender, within thirty (30) days after receipt of such request, a statement in writing certifying: (i) that this Lease is unmodified and in full force and effect (or if there have been modifications, identifying such modifications and certifying that the Lease, as modified, is in full force and effect); (ii) the dates on which Monthly Payment has been paid; (iii) that Landlord is not in default under any provision of this Lease (or if Landlord is in default, specifying each such default); (iv) the address to which notices to Tenant shall be sent, and (v) such other matters as may be reasonably requested by Landlord; it being understood that any such statement so delivered may be relied upon in connection with any lease, mortgage or transfer.

Tenant’s failure to deliver such statement within such time shall be conclusive upon Tenant that: (i) this Lease is in full force and effect and not modified except as Landlord may represent; (ii) not more than one Monthly Payment has been paid in advance; (iii) there are no defaults by Landlord; and (iv) notices to Tenant shall be sent to Tenant’s address as set forth in the preamble of this Lease. Notwithstanding the presumptions of this Article, Tenant shall not be relieved of its obligation to deliver said statement.

ARTICLE 21.
Force Majeure

Landlord shall be excused for the period of any delay in the performance of any obligation hereunder when prevented from so doing by a cause or causes beyond its control, including all labor disputes, civil commotion, war, war-like operations, invasion, rebellion, hostilities, military or usurped power, sabotage, governmental regulations or controls, inability to obtain or delays in obtaining any governmental approvals or permits, fire or other casualty, inability to obtain or delay in obtaining any material, services or financing, or through acts of God. Tenant shall similarly be excused for delay in the performance of any obligation hereunder; provided:

(a) nothing contained in this Article or elsewhere in this Lease shall be deemed to excuse or permit any delay in the Tenant’s Monthly Payment, or any delay in the cure of any default which may be cured by the payment of money;
(b) no reliance by Tenant upon this Article shall limit or restrict in any way Landlord’s right of self-help as provided in this Lease; and

(c) Tenant shall not be entitled to rely upon this Article unless it shall first have given Landlord notice of the existence of any force majeure preventing the performance of an obligation of Tenant within five (5) days after the commencement of the force majeure.

ARTICLE 22.

Section 22.1 Governmental Capacity: Tenant is entering into this Lease in its governmental capacity. Notwithstanding anything contained in this Lease to the contrary, nothing in this Lease shall constitute a waiver of any provisions of any law relating to governmental immunity or limitations of liability of a governmental entity.

Section 22.2 Landlord acknowledges that Tenant’s operations in the Leased Premises for the Permitted Use constitute (1) Tenant’s conduct of the governmental functions and (2) involve transportation, use, analysis, testing, storage, disposal, documentation and other handling of dangerous items, Seized Drugs, controlled or regulated substances, confidential information, evidence for use in criminal legal proceedings for which chain of custody controls are mandatory, law enforcement properties and other highly sensitive data, records, items and materials. Any reference to commercially reasonable or reasonable as the standard by which decision are made or the manner or timing by which actions are taken under this Lease shall be interpreted in a manner that recognizes the need to preserve all forensic properties and protect Tenant’s operations for the Permitted Use in connection with such forensic properties for the health and safety of the public and in connection with such police powers of Tenant and other governmental and criminal justice entities and programs served by the Tenant.

Section 22.3 Landlord expressly stipulates and agrees that the Permitted Use, including the firing range necessary for ballistic testing, does not, in whole or in part, constitute a nuisance and that Tenant’s operations in the Leased Premises for the Permitted Use in accordance with Applicable Laws will not materially interfere with or materially disturb other tenants or Landlord in the management of the Project.

Section 22.4 Landlord expressly agrees to provide notice to other tenants in the Project of Tenant’s use of the premises and shall indemnify Tenant against any claims, lawsuits, damages asserted against Tenant by other users of the Project, including all tenants, guests, invitees, or Landlord’s personnel, agents or students.

Section 22.5 Landlord shall provide to the Tenant proof of a line of credit in the amount of not less than ten (10) Million dollars where the ten (10) Million dollars of that line of credit is solely dedicated to the build-out of the Leased Premises.
Credit shall remain in place, unpledged and irrevocable for sixty (60) days after the build-out of the Leased Premises is complete. Landlord shall provide all such other financial documentation reasonably requested by the City to determine Landlord's financial stability.

Section 22.6 Landlord recognizes existing sensitivities of the Permitted Use of the Leased Premises and agrees that the Project or any portion of the Project or related facilities or land shall not be leased to by law enforcement agencies as listed by Texas Department of Public Safety and/or Texas Commission on Law Enforcement; however, Landlord may lease premises within the Project to criminal justice agencies. Additionally, Landlord agrees to land use restrictions during the term of this Lease reflected in Exhibit “H” attached hereto and incorporated herein for all purposes.

Section 22.7 Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of joint venture between Landlord and Tenant, it being understood and agreed that neither the method of computation of Monthly Payment, nor any other provisions contained herein, nor any acts of Landlord and Tenant, shall be deemed to create any relationship between Landlord and Tenant other than the relationship of landlord and tenant. Whenever herein the singular number is used, the same shall include the plural, and words of any gender shall include each other gender.

Section 22.8 In the event Landlord or Tenant will be interested in pursuing a condominium or purchase of the Leased Premises, the parties shall, in good faith, enter into such negotiations.

Section 22.9 The captions used herein are for convenience only and do not limit or amplify the provisions hereof.

Section 22.10 One or more waivers of any covenant, term or condition of this Lease by either party shall not be construed as a waiver of a subsequent breach of the same covenant, term or condition. The consent or approval by either party shall not be construed as a waiver of a subsequent breach of the same covenant, term or condition. The consent or approval by either party to or of any act by the other party requiring such consent or approval shall not be deemed to waive or render unnecessary consent to or approval of any subsequent similar act.

Section 22.11 Landlord covenants and agrees that, if Tenant shall perform all of the covenants and agreements herein required to be performed by Tenant, Tenant shall, subject to the terms of this Lease, have the peaceable and quiet enjoyment and possession of the Leased Premises.

Section 22.12 This Lease contains the entire agreement between the parties, and no agreement shall be effective to change, modify or terminate this Lease in whole
or in part unless such agreement is in writing and duly signed by the party against whom enforcement of such change, modification or termination is sought. This Lease supersedes all prior proposals.

Section 22.13 The laws of the State of Texas shall govern the interpretation, validity, performance and enforcement of this Lease. Any action brought to enforce or interpret this Lease shall be brought in the court of appropriate jurisdiction in Houston, Harris County, Texas. Should any provision of this Lease require judicial interpretation, Landlord and Tenant hereby agree and stipulate that the court interpreting or considering the same shall not apply the presumption that the terms hereof shall be more strictly construed against a Party by reason of any rule or conclusion that a document should be construed more strictly against the Party who prepared the same, it being agreed that all Parties hereto have participated in the preparation of this Lease and that each Party had full opportunity to consult legal counsel of its choice before the execution of this Lease.

Section 22.14 Each and every agreement contained in this Lease is, and shall be construed as, a separate and independent agreement. If any provision of this Lease should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Lease shall not be affected thereby.

Section 22.15 Notwithstanding anything to the contrary in this Lease, all remedies of either Party are cumulative and the election of a remedy by a Party shall not foreclose such Party from pursuing any other equitable or legal remedy.

Section 22.16 The terms, provisions and covenants contained in this Lease shall inure to the benefit of and be binding upon the Parties hereto and their respective heirs, successors in interest and legal representatives.

Section 22.17 The Parties have executed this Lease in multiple copies, each of which is an original. Each person signing this Lease represents and warrants that he or she is duly authorized and has legal capacity to execute and deliver this Lease. Each Party represents and warrants to the other that the execution and delivery of this Lease and the performance of such Party’s obligations hereunder have been duly authorized and that this Lease is a valid and legal agreement binding on such Party and enforceable in accordance with its terms.

Section 22.18 Tenant hereby grants the City Attorney or his or her designee the right to enforce all legal rights and obligations under this Lease without further authorization from other City officials. Landlord covenants to provide to the City Attorney all documents and records in Landlord’s or its agent’s possession that the City Attorney deems necessary to assist in determining Tenant’s compliance with this Lease, with the exception of those documents made confidential by federal or state law or regulation.

Section 22.19 Time is of the essence in this Lease.
Section 22.20 Landlord understands that the Tenant may be required to appropriate additional funds for all or portion of the Monthly Payment during the Lease term and agrees that:

(1) Tenant's duty to pay money to Landlord for any purpose under this Lease is limited in its entirety by the provisions of this Section.

(2) Tenant makes a Supplemental Allocation by issuing to Landlord a Service Release Order, or similar form approved by the City Controller, containing the language set out below. When necessary, the Supplemental Allocation shall be approved by motion or ordinance adopted by the City Council.

NOTICE OF SUPPLEMENTAL ALLOCATION OF FUNDS

By the signature below, the City Controller certifies that, upon the request of the responsible director, the supplemental sum set out below has been allocated for the purposes of the Lease out of funds appropriated for this purpose by the City Council of the City of Houston. This supplemental allocation has been charged to such appropriation.

$ __________

The Original Allocation plus all supplemental allocations are the Allocated Funds. The City shall never be obligated to pay any money under this Agreement in excess of the Allocated Funds. Landlord must assure itself that sufficient allocations have been made to pay for services it provides. If Allocated Funds are exhausted, Landlord's only remedy is suspension or termination of this Lease and it has no other remedy in law or in equity against the City and no right to damages of any kind, except for recoupment of any unpaid Rent due and owing at the time of the suspension or termination of this Lease.

Section 22.21 This Lease is subject to all terms and provisions of the Charter and Code of Ordinances of the City of Houston, Texas, and is subject to approval by the City Council of the City of Houston, Texas, and the signature of the Mayor and the counter-signature of the City Controller of the City of Houston, Texas to this Lease, and upon such approval and signatures, Tenant represents and warrants that all consents or approvals required for the execution, delivery and performance of this Lease have been obtained and that Tenant has the right and authority to enter into and perform its covenants and agreements contained in this Lease.

All capitalized terms used herein, but not defined herein, shall have the meanings ascribed to such terms in the Lease.

To induce Landlord and Tenant to enter into the Lease (which is incorporated herein by reference to the extent that its provisions may apply hereto) and in consideration of the mutual covenants hereinafter contained, Landlord and Tenant mutually agree as follows:

1. Construction Plans. Tenant has provided to Landlord the preliminary specifications and space plans for the Leased Premises attached as Exhibit “E-1” to the Lease (the "Preliminary Tenant Specifications"). Landlord and Tenant specifically agree that due to the sensitive nature of the Permitted Use, additional meetings and discussion must occur between the Landlord, Landlord's Architect and the Tenant to finalize the Preliminary Tenant Specifications for floor 18 and Basement Area and to lesser degree for the remainder of the Leased Premises ("Final Tenant Specifications") after the execution of the Lease, Both parties agree to finalize the Preliminary Tenant Specifications ("Final Tenant Specifications") not later than 30 days after the execution of the Lease, unless otherwise agreed to in writing by Landlord and Tenant. Landlord agrees that the Final Tenant Specifications do not constitute a change order and Tenant shall not be charged any cost associated therewith. The Preliminary Tenant Specifications and Final Tenant Specifications are hereinafter referred to as the "Tenant Specifications". Landlord and Tenant agree that the Final Tenant Specifications shall become an Exhibit “E-1.1” of the Lease. Landlord will provide, by Landlord's designated "Architect" and/or "Engineer," and at Landlord's sole cost and expense, the following "Construction Plans," based upon the Tenant Specifications and drawn for the Leased Premises on Tenant's behalf:

When such draft Construction Plans have been completed, Landlord shall promptly deliver them or cause them to be delivered to Tenant. If Tenant has any objections or comments with respect to such draft Construction Plans, Tenant shall notify Landlord of such objections within ten (10) days after receipt of the draft Construction Plans. The agreed-upon Construction Plans shall be hereinafter referred to as the "Final Plans." The parties must agree upon the Final Plans before the Construction Plans are submitted for building permits.
